ABOUT L'ENVOL DES PIONNIERS AND SEMECCEL

Dedicated to the early days of aviation, the creation of Lignes Aériennes Latécoère and Compagnie Générale Aéropostale, and the birth of Air France, L'Envol des Pionniers is located in Toulouse Montaudran, on the historic site from which Aéropostale planes departed for Africa and South America between 1918 and 1933. L'Envol des Pionniers brings to life this human adventure that contributed to the birth of civil aviation and made Toulouse one of the world capitals of aeronautics. L'Envol des Pionniers is a Toulouse Métropole facility, opened at the end of 2018 with the support of the Occitanie Pyrénées-Méditerranée Region and the ERDF, and with the participation of the Ministry of National Education and partners Altran, Ailes Anciennes de Toulouse, and INA.

L'Envol des Pionniers is managed by SEMECCEL, a semi-public company created on the initiative of Toulouse City Council, whose shareholders are Toulouse Métropole, Toulouse City Council, the Occitanie Pyrénées-Méditerranée Region, CNES, Airbus Defence and Space, Météo-France (founding members of the Cité de l'espace), as well as Thales Alenia Space, Caisse des Dépôts et Consignations, and Caisse d'Epargne de Midi-Pyrénées.
